Dear Counsel:

I'd like to be sure we have a complete copy of the records requests (i.e. the letters that you've sent to various entities) using our client's executed authorizations for releases of information that we provided to you. This includes employers, medical providers, the SSA, public agencies and others. Please have your staff provide us with copies of those at your soonest opportunity along with the releases you attached to your letters.

You can provide them in response to this email and please be sure to cc my legal assistant and David Cooper.

Thanks for your cooperation.
